ABOUT

MyCOS

We are a team of contract managers specialising in contracted out services. We provide services that focus on the delivery of projects. Our approach allows us to provide Contractors and Operatives for a specific project.

Our ethos is about delivering projects to the highest possible standard, and ensuring we provide a cost effective service.

When you use our services, you can be sure that your project is in safe hands.

Why us?

02

We work together with our partners to create the perfect solution for your project needs.

We are experts within the field and managing projects through our contractor workforce is something we do, and do well.

Our contract management services assists businesses with their IR35 challenges and take on the responsibilities around IR35 compliance from them.

We conduct regular reviews throughout the lifecycle of the project, ensuring it stays on track.

Substitutions can be provided by us if there is a projected delay to projects due to operative shortfall.
